

**UNIVERSITY OF MAINE**

**ASSISTANT PROFESSOR OF HUMAN NUTRITION  
DEPARTMENT OF FOOD SCIENCE AND HUMAN NUTRITION**

The Department of Food Science and Human Nutrition is seeking applications for a tenure-track 9-month assistant professor position, 50% research, 50% teaching. The Department has undergraduate concentrations in Human Nutrition and Dietetics, Food Science and Food Management, as well as MS and PhD programs and a dietetic internship program. Doctorate in Nutrition or closely-related field is required; RD desirable. Documented experience in Nutrition Science as related to prevention or treatment of nutrition-related disorders. Research area focus in Nutritional Biochemistry/Nutrigenomics or Nutritional Epidemiology is desirable. Postgraduate research experience with external funding is preferred. Excellent teaching and communication skills are expected. The faculty member will be expected to build a robust externally-funded research program and teach an undergraduate course in nutritional biochemistry, other undergraduate courses as needed, develop relevant graduate courses, advise undergraduate and graduate students, direct research, and serve on committees, panels and boards, as required.

**Starting Date: September 1, 2012.** Review of applications will begin February 1, 2012 and continue until the position is filled.

**Please submit a cover letter documenting evidence of scholarship, future research plans and teaching philosophy, a curriculum vitae, official academic transcripts and three professional reference letters. Send to: Dorothy Klimis-Zacas, PhD, Department of Food Science and Human Nutrition, University of Maine Rm 232, Hitchner Hall, Orono, ME 04469-5735, Phone: 207 581-3124, Fax: 207 581-1636, Email: [dorothy.klimis@umit.maine.edu](mailto:dorothy.klimis@umit.maine.edu)**
