

Procter & Gamble's Doctoral Recruiting Program is currently accepting applications for a limited number of internship opportunities for students pursuing Ph.D.s in most Engineering (all disciplines), Chemistry (all disciplines), Life Sciences (all disciplines), Mathematical Science, Material Science, Veterinary Science, and Nutrition. The program is a *paid*, full time summer internship at our Cincinnati, OH or Boston, MA research facilities. The preferred period for the 10 to 12 week internship is June 1 to September 1. At P&G, Intern sessions are considered temporary employment, with a predicted ending point. No full-time employment commitments are made; however, depending on satisfactory completion of certain criteria, candidates may be considered for full-time positions upon obtaining their PhD.
