

## **Faculty position in Biotechnology**

### **Department of Biology**

#### **University of Patras, Greece**

The Department of Biology has an opening for a faculty position in Biotechnology. The successful candidate will be required to develop a high quality research program, contribute to the Department's teaching at the undergraduate and graduate level and participate in Departmental Committees. Ph.D degree and postdoctoral research experience in the general area of Applied and Molecular Biotechnology is required and prior teaching experience would be important.

Enquiries about the position and a letter expressing interest, should be addressed to Mrs. Natassa Lotsari, Secretary, Division of Genetics, Cell and Developmental Biology, Department of Biology, University of Patras, Rio 26504, Greece, email: [lotsnata@upatras.gr](mailto:lotsnata@upatras.gr), Ph.: +30-2610-969240.

**The deadline for completed applications has not been set yet.**
